

Remarks

In compliance with the Draftsman's requirement for correction of a drawing inconsistency with the specification, the "Brief Description of the Drawings" section of the specification has been amended to include a description of Figure 4. The description of Figure 4 as introduced by the present amendment contains information identical to that contained in paragraphs [0051]-[0052] on page 13 of the specification as originally filed. Therefore, the present correction does not constitute new matter and entry of the present amendment is respectfully requested under 37 C.F.R. § 1.312.

Conclusion

Applicants respectfully request that the amendments made above be entered and made of record in the file history of the instant application prior to issuance as a United States Patent. If there are any fees due in connection with the filing of this paper, please charge the fees to Deposit Account No. 08-3425.

Respectfully submitted,
